Elvas

Escola Básica 2/3 n.º 2

This is the school headquarter, where all the project activities will be developed. It is integrated in a very needy and problematic area. There are ethnic minorities and a reasonable number of students from Eastern Europe and Brazil. We have classes from 5th to 9th grades, technical and professional courses and a multiple disability classroom. Our students are between ten and seventeen years old.

Escola Básica da Boa-Fé

Escola Básica da Boa-Fé: preschool and elementary level.

Students from three to five years old in the preschool and from six to twelve years old in the elementary level

Escola Básica de Alcáçova

This is Alcáçova's primary school. It is in the historical center of the city and it has students from preschool and 1st, 2nd, 3rd and 4th grades.

Escola Básica de Raposeira

Raposeira's primary school is located in an adjoining neighbourhood of the city. It has students from preschool and primary years.

Escola Básica de Fontainhas

This is the smallest school. It is located near the train station and it has students from preschool and elementary levels.
